

We are looking for personnel reinforcement!

To strengthen our team at our Head Office in Sulzbach am Taunus (near Frankfurt am Main) we are looking for a

Junior Product Owner (m/f/d) Focus Fund Management

Your key responsibilities

The focus of your challenging and diversified work at DIAMOS is the market-oriented further development and maintenance of our product portfolio, in particular our fund management system.

- You will support the product owners in the further development of DIAMOS-F, our fund management product
- You are decisively responsible for the creation and maintenance of product content in coordination with the product owners
- You prepare presentation content and assist in the drafting of decision papers
- You design and conduct market and competitive analyses and derive product developments from them
- You design and carry out product trainings for sales staff and clients
- You will independently take over individual modules within the DIAMOS-F Suite in the long term and develop them further

Your profile

After having successfully graduated in business administration, business informatics, computer science, natural sciences or mathematics – with a banking or technical focus – you have ideally gained initial experience in the investment industry (also in the form of internships). Preferably, you have already gathered insights in the use of fund management software and have:

- very good knowledge of all common MS Office applications
- excellent technical understanding of complex processes and interrelationships
- high degree of personal responsibility, a structured, goal-oriented way of working and a strong hands-on mentality
- excellent communication skills in German and English

Thanks to your excellent comprehension skills, you are able to pick up new tasks and topics quickly. Along with your commitment, you convince with your open-minded personality and strong communication skills. You are able to present complex technical issues in an understandable way to both internal and external target groups. Working independently is one of your strengths, together with team spirit, resilience and flexibility.

Our offer

We offer you a modern, attractive and secure job with career prospects, exciting and multifaceted tasks and projects, flat hierarchies with short decision-making processes as well as plenty of room for the development and unfolding of your personal and professional strengths.

A pleasant working environment in air-conditioned offices equipped with state-of-the-art technology and conveniently located is awaiting you. The orientation phase with your own mentor will give you a smooth start. We support your work-life balance with a flexible working time system, 30 days of vacation, special leave and home office offers. Our services are enhanced by attractive, performance-based compensation and other benefits such as a meal allowance, free underground parking, free drinks and fresh fruit, various employee events, and much more. You can relax during breaks in our modern, fully equipped "get-together kitchen", in our creative room, playing billiards or table soccer, or in the nearby Main-Taunus-Zentrum.

Convince yourself and let's get in touch right away. We look forward to receiving your application, stating your salary expectations and earliest starting date. Please send your application to job@diamos.com.
