

We are looking for personnel reinforcement!

To strengthen our team at our Head Office in Sulzbach am Taunus (near Frankfurt am Main) we are looking for a

Junior Business Analyst (m/f/d)

Focus Fund Management

Your key responsibilities

At DIAMOS, you can expect challenging tasks along the process chain of the investment fund industry, which will serve as a basis for your personal development. We create customized product solutions for our clients - based on our solution modules.

In the start-up phase, you will receive an introduction to our integrated and modular solutions and familiarize yourself with the organization and its divisions. After your introductory phase, you will contribute to the further development of our solutions. You will manage release cycles and accompany customer projects from the conception phase to going live. In doing so, you will gain deep insights into client processes, investment products and state-of-the-art IT architectures. You will advise clients on the definition of business requirements, translate these into business designs and specifications as a basis for implementing them in our products, and create test concepts and test case descriptions. Furthermore, you support the test implementation team and build the bridge to the IT development unit.

Your profile

- Successfully graduated in business informatics or comparable courses of study or training
- Ideally, initial experience in the banking or investment industry with insights into the use of fund management software, preferably acquired in the form of internships
- Excellent technical understanding of complex processes and interrelationship
- High degree of personal responsibility, a structured, goal-oriented and independent way of working as well as a strong hands-on mentality
- Quick comprehension, commitment, team spirit and flexibility
- Very good knowledge of all common MS Office applications as well as excellent communication skills in German and English

Our offer

We offer you a modern, attractive and secure job with career prospects, exciting and multifaceted tasks and projects, flat hierarchies with short decision-making processes as well as plenty of room for the development and unfolding of your personal and professional strengths.

A pleasant working environment in air-conditioned offices equipped with state-of-the-art technology and conveniently located is awaiting you. The orientation phase with your own mentor will give you a smooth start. We support your work-life balance with a flexible working time system, 30 days of vacation, special leave and home office offers. Our services are enhanced by attractive, performance-based compensation and other benefits such as a meal allowance, free underground parking, free drinks and fresh fruit, various employee events, and much more. You can relax during breaks in our modern, fully equipped "get-together kitchen", in our creative room, playing billiards or table soccer, or in the nearby Main-Taunus-Zentrum.

Convince yourself and let's get in touch right away. We look forward to receiving your application, stating your salary expectations and earliest starting date. Please send your application to job@diamos.com.
