

We are looking for personnel reinforcement!

At our Head Office in Sulzbach am Taunus (near Frankfurt am Main), we are looking for an experienced

Senior Linux Administrator (m/f/d)

The focus of your work will be in the area of server infrastructure (Linux systems and installed databases). In addition, we will give you room for maneuver, e.g. to further professionalize the provision of virtualized infrastructure (SaaS / PaaS / IaaS with VMware / OLVM).

Your key responsibilities

- Administration and further development of the existing server infrastructure
- Implementation of applications and DB systems (especially Oracle) in the heterogeneous system landscape (Windows / Linux)
- Participation in projects in the area of IaaS / PaaS / SaaS (e.g. provision of new system environments, planning and introduction of new IT solutions)
- Assistance of the 2nd and 3rd level support

Your profile

- Degree in computer science or education as an IT specialist system integration or a comparable qualification
- Practical experience in the server and database environment on Linux-based systems
- Experience in the automation of deployment processes with Jenkins / Ansible / Kubernetes
- Understanding and enthusiasm for the latest technologies, trends, innovations and standards, as well as interest and enjoyment in individually supported further training
- High sense of responsibility and motivation for continuous improvement; High demand for a modern and fail-safe, reliable service operation in a team-oriented cooperation model
- Evidence of knowledge through certifications, training courses and practice-oriented assignment in projects and client services

Our offer

We offer you a modern, attractive and secure job with career prospects, exciting and multifaceted tasks and projects, flat hierarchies with short decision-making processes as well as plenty of room for the development and unfolding of your personal and professional strengths.

A pleasant working environment in air-conditioned offices equipped with state-of-the-art technology and conveniently located is awaiting you. The orientation phase with your own mentor will give you a smooth start. We support your work-life balance with a flexible working time system, 30 days of vacation, special leave and home office offers. Our services are enhanced by attractive, performance-based compensation and other benefits such as a meal allowance, free underground parking, free drinks and fresh fruit, various employee events, and much more. You can relax during breaks in our modern, fully equipped "get-together kitchen", in our creative room, playing billiards or table soccer, or in the nearby Main-Taunus-Zentrum.

Convince yourself and let's get in touch right away. We look forward to receiving your application, stating your salary expectations and earliest starting date. Please send your application to job@diamos.com.
