

We are looking for personnel reinforcement!

At our Head Office in Sulzbach am Taunus (near Frankfurt am Main), we are looking for an experienced

Senior System Administrator (m/f/d)

Focus on Operating Systems and Application Operations

Your key responsibilities

- System administration, further development and operation of our constantly growing number of highly available SaaS-/IaaS data centre applications for our clients
- Setup and commissioning of cloud software/environments, operating systems (especially Linux, Windows), virtualization solutions as well as e.g. databases or applications in Docker containers
- General support with regard to the configuration and operation of the overall components involved in the operation, such as the technical infrastructure (hardware, network, storage) and the various software packages. In this context, we will support you with training and further education offers
- Analysis of malfunctions and security-relevant incidents as well as support of the service desk

Your profile

- Degree in computer science or professional training as an IT specialist for system integration (m/f/d) or a comparable qualification
- Several years of professional experience in operational system administration with a convincing practical knowledge and experience in the Linux environment, virtualization technologies, databases and application installation
- Understanding of and enthusiasm for state-of-the-art technologies, trends, innovations and standards, as well as interest and enthusiasm for individually supported further education and training
- High sense of responsibility, motivation for continuous improvements as well as a high demand for a modern and fail-safe service operation in a team-oriented cooperation model
- Proof of knowledge through certifications, further trainings and the practice-oriented work in projects and client service

Our offer

We offer you a modern, attractive and secure job with career prospects, exciting and multifaceted tasks and projects, flat hierarchies with short decision-making processes as well as plenty of room for the development and unfolding of your personal and professional strengths.

A pleasant working environment in air-conditioned offices equipped with state-of-the-art technology and conveniently located is awaiting you. The orientation phase with your own mentor will give you a smooth start. We support your work-life balance with a flexible working time system, 30 days of vacation, special leave and home office offers. Our services are enhanced by attractive, performance-based compensation and other benefits such as a meal allowance, free underground parking, free drinks and fresh fruit, various employee events, and much more. You can relax during breaks in our modern, fully equipped "get-together kitchen", in our creative room, playing billiards or table soccer, or in the nearby Main-Taunus-Zentrum.

Convince yourself and let's get in touch right away. We look forward to receiving your application, stating your salary expectations and earliest starting date. Please send your application to job@diamos.com.
