

To strengthen the team at our Head Office in Sulzbach am Taunus (near Frankfurt am Main) we are looking for a

(Senior-) Project Manager (m/f/d)

Your key responsibilities

We provide our clients with customized services based on our solution components. As a project manager (m/f/d), you will coordinate and be responsible for introducing our solutions and services to new clients and support our existing clients with large-scale modification projects. In doing so, you will work closely with all areas of DIAMOS.

Your tasks include:

- Pre-sales support in all phases of project initiation (e.g. development and description of solution scenarios, cost estimates, processing of tenders, workshops)
- Project definition (scope, objectives, framework conditions, definition of project limits) incl. collaboration on project contracts
- Administration, planning and control of the responsible projects
- Ongoing coordination with clients, realization of client workshops
- Use and further development of our best practices

Your profile

- Degree from a university (university of applied sciences) with a technical or business focus
- Several years of experience in the banking environment, ideally in the area of fund processing (capital management company or custodian), acquired at a bank, a software company or a consulting firm
- Initial experience in managing projects with smaller teams - depending on seniority also with larger teams
- Good understanding of software development, corresponding experience as scrum master, business analyst, developer, tester or project manager (m/f/d) would be perfect

You take responsibility, show a high level of commitment and communicate successfully at all levels. You are able to prepare and present complex issues in an understandable way both to internal and external target groups. Working independently and on your own responsibility is one of your strengths, as are team spirit, resilience and flexibility. You are fluent in written and spoken German and English.

Our offer

We offer you a modern, attractive and secure job with career prospects, exciting and multifaceted tasks and projects, flat hierarchies with short decision-making processes as well as plenty of room for the development and unfolding of your personal and professional strengths.

A pleasant working environment in air-conditioned offices equipped with state-of-the-art technology and conveniently located is awaiting you. The orientation phase with your own mentor will give you a smooth start. We support your work-life balance with a flexible working time system, 30 days of vacation, special leave and home office offers. Our services are enhanced by attractive, performance-based compensation and other benefits such as a meal allowance, free underground parking, free drinks and fresh fruit, various employee events, and much more. You can relax during breaks in our modern, fully equipped "get-together kitchen", in our creative room, playing billiards or table soccer, or in the nearby Main-Taunus-Zentrum.

Convince yourself and let's get in touch right away. We look forward to receiving your application, stating your salary expectations and earliest starting date. Please send your application to job@diamos.com.
